REGISTERING FOR TRAINING

To get an APPROVED slot at the training, you **must**:

a. Have your unit's training officer register you on the MAGELLAN system. We will confirm upon initial entry into Magellan if space is available but must receive the following **within 48 hours** or registration will revert to Submitted status:

- 1) Payment of fees made at <https://mkt.com/nsccpsw>.
- 2) Completion of the SUPPLEMENTAL REGISTRATION FORM at www.nsccpsw.org.
- 3) Submission of Medical Supplemental Form and/or Request for Accommodation if either are needed.

NO ORDERS WILL BE APPROVED UNTIL ALL PARTS ARE COMPLETE!!!

Please note that, if you do not complete all items within the 48 hours, you will revert to Submitted status. We only confirm and hold a space for you once, so if you are un-confirmed, you must submit all items and we will then confirm and approve, if space is available once all items are received.

b. Have your unit upload a copy of your completed and signed NSCTNG001 to MAGELLAN. The original should be placed in your service record, which you will bring to training.

c. If you will be taking any medication, scan/email (or upload to MAGELLAN) a copy of the Page 7/8 Medical Supplemental Form. Your unit's officers will help with this. **We will not approve your space until your meds have been approved as appropriate for this training.**

d. Send us any ADA Request for Accommodation well in advance for review, subject to

approval. An approved Request for Accommodation at the home unit **does not automatically apply at the training.** Your unit's officers will help with this. **Your request must be approved before we can approve you in your training.**

PAYMENT: Payment for training fees, as well as airport shuttle fees, can be made at our website, www.nscpsw.org. Click on Winter Training and then follow Step 4 to connect to our online store.

Important! Please include the following information as a note when completing your payment: Cadet's first and last names and the name of the unit they belong to. Parents often have last names that are different from the cadets; how are we to know for whom you are paying if you don't tell us in a note? For this reason, we encourage you to complete payment on a computer, not a phone, so that you don't miss this important step. Please submit one payment at a time with the requested information.

In accordance with NSCC regulations, training deposits are **non-refundable**.

Airline travelers will be transported by shuttle service to and from Camp Pendleton for a \$30 fee each way (fee should be included with registration – if you didn't include with registration or want to add, please see shuttle note below for how to pay or contact admin@nscpsw.org with any questions). The shuttle will depart the USO at the San Diego airport at 1:00 pm on Dec. 26th, so please plan accordingly in order to minimize your wait time until the shuttle leaves.

PLEASE NOTE: We cannot accommodate cadets traveling "unaccompanied minor," which is a term the airlines use that means that a specifically named adult would have to meet the cadet at their gate. If this was your intention, please contact LCDR Manoogian at srd@nscpsw.org to discuss **PRIOR** to booking any tickets.

Parents are reminded that training dates can change depending on the needs of the Marine Corps and should book airfare as "refundable/changeable." This is also advised in case we have to send your cadet home early. We recommend that, should you choose not to purchase refundable fares, you purchase travel insurance. We cannot be responsible for fare increases due to unforeseen changes in the training schedule.

SHUTTLE NOTE FOR AIRLINE TRAVELERS: This is a privately scheduled shuttle for our cadets and staff only. You **MUST** reserve a space through us and pay in advance for the shuttle as the driver will **NOT** accept cash the day of arrival. Payment can be made at our website at the same place where you pay for training.

Upon arrival at the San Diego airport, you will proceed to the USO (across from Terminal 2). They will have a list of our arrivals so please check in with them. Our private shuttle is scheduled to depart around 1:00 pm. Depending on the time of your arrival, you could have a long wait so be prepared! **MAKE SURE THAT WE KNOW YOUR TRAVEL PLANS!!!** If you should encounter delays en route, please call 818-822-6818 and let us know.

WHEN YOU ARRIVE: In your possession should be your service record, valid ID and a complete Sea Bag. **No cadet may report aboard without a complete service record** with all signatures properly executed on all relevant portions of the NSCADM001 form (Cadet Application, Medical History, Medical Exam) and NSCTNG001 (Request for Orders). GRADUATION AND DEPARTURE: Cadets departing by private vehicle will be available for pickup at 10:00 AM on January 2nd. There will be a short ceremony prior to their release.

All attendees 18 and older must have current ID to enter the base and be on the Base Access List (see Top Section). All drivers must current registration and proof of insurance for any vehicles. Please be advised that it is still a 20-minute drive minimum to whatever area we use once you pass through the gates.

TRAINING OBJECTIVES AND EXPECTATIONS

TRAINING OBJECTIVES: Our objectives and purpose for offering this training evolution are:

- To provide training in a specific subject(s) for those Cadets attending training.
- To provide professional training to NSCC Officers so as to allow them the opportunity to utilize their abilities in a supervised military environment.
- To promote the highest level of training that is consistent with NLCC/NSCC National Goals with an atmosphere of respect, support, and esprit de corps.

SAFETY: Safety is our #1 priority. The success of this evolution depends on the safety of all personnel. This will be accomplished by the following methods:

- Accountability – This is achieved by knowing where our people are at all times and what they are doing. Each individual will act in a responsible manner.
- By always being alert to possible hazards and taking appropriate action to prevent possible harm to any personnel under our care.
- By making safety everyone's responsibility, from the cadet to the Commanding Officer. If any person feels their safety is about to be compromised, that person will bring it to the attention of the chain of command.

CODE OF CONDUCT/HAZING/FRATERNIZATION: Please review the attached CODE OF CONDUCT. This code will be the basis for a quality training experience. Furthermore, there is a **ZERO TOLERANCE** for hazing and/or fraternization. This includes bullying, use of foul language, and any negative behavior that takes away from a safe and positive training environment.

TRAINING LOCATION: Due to ongoing military operations, our training barracks and areas have not been assigned yet. We will send notification and maps two weeks prior to training. This is an active military base with all the facilities and amenities for quality training. We will be using the galley and classroom facilities. Regular bathroom and shower facilities are available.

[Click here to return to top.](#)

PREPARING FOR TRAINING

HAIRCUTS: Haircuts must conform to NSCC Grooming Standards. Tapered (no steps), clean around neck and ears. **YOU MUST GET YOUR HAIRCUT PRIOR TO TRAINING.** Each session we have cadets who actively choose to not get their haircut because they have been told it will be done at training – **THIS IS NOT THE CASE.** **Cadets may not check-in without a proper haircut.**

CADET PREPARATION: All cadets need to understand that this is a TRAINING evolution. They are participating to learn more about being in the NSCC program. Each individual will be asked to do things that are challenging and different from “the way I’ve always done it.” To prepare for this evolution, each person should:

- Do physical training. Push-ups, sit-ups, and running are a good way to start. Physical training is included in the cadet-training curriculum.
- Pack their sea bag. This will help in knowing what has been brought to training. Each cadet will be 100% responsible for their own belongings.
- Break-in footwear. There can be a lot of walking during this training and boots are more comfortable if they have been broken in.

MEDICAL RESTRICTIONS: Cadets with pre-existing medical conditions that will affect a safe training environment cannot be allowed to participate. While we want cadets to complete their training, safety is our first concern.

Medications prescribed or over-the-counter **are** permitted. **If your cadet will need to take ANY medications, a Supplemental Medical History (Page 7/8) which is included in this packet must be completed and approved prior to registering for training.** Please bring medications in the original container and place them in a baggie and include a copy of this form, which **MUST** be signed by a medical professional if any of the medications are prescription. **Discontinued use of required medication is not advised.**

The final determination of participation in training due to a medical condition lies with the Commanding Officer, based on NSCC Regulations.

SEABAG: Review the sea bag list. **ALL CADETS MUST BRING A WATER SYSTEM (canteen w/web belt or Camelback is OK).** All items must be marked with the cadet’s last name and first initial (all underwear and socks look the same after a while). A sea bag inspection will be conducted on the first day of training. If required items are not in sea bag, attempts will be made to obtain the item for the cadet and the parent/guardian/unit will be billed. **IF IT IS NOT ON THE LIST, LEAVE IT AT HOME.** Commercial travelers should bring money and cell phone for their trip to/from Camp Pendleton; they will turn cell phones in at check-in.

DURING TRAINING

OUTSIDE PARTY CONTACT: To create and maintain the most productive military environment needed for a successful training, it is necessary to isolate trainees from outside influences that may prove distracting. To this end, it is essential for parents, relatives, and friends to understand:

- Visits from parents, relatives, and friends will be prohibited.
- Visits from home unit staff not attached to the training are not allowed, unless approved in advance by the Commanding Officer.
- Cadets are not allowed to place or receive phone calls. In case of family emergencies parents are to contact the unit CO, who will then contact the Training Site. If there is an emergency regarding a cadet, a call will be placed to the parents and the unit CO.
- Cadets may send mail to family and friends.

We also try to post online pictures taken by our Photojournalism Training as staff time and internet capacity allows. Check our website, www.nscpsw.org, for the link to our Facebook page.

CADET MAIL: Due to the short nature of this training, we will not be able to take ANY inbound mail. Cadets will, however, be able to send written letters home.

NO CELL PHONES ALLOWED FOR ANY CADETS. Cadets traveling by commercial carrier may bring a cell phone to stay in contact with family until arrival. These cell phones will be secured during training and returned to cadets for their return travel. Failure to turn in cell phones or using cell phones during training will be grounds for dismissal.

[Click here to return to top.](#)

QUESTIONS/CONCERNS: Your unit CO is the first person who may be able to answer questions or concerns. They have been sent a copy of this information letter. If you still have questions, please e-mail to question@nscpsw.org.

We look forward to your cadet having a positive training experience. Welcome Aboard!

NOTICE

This form, used as a supplement to the Report of Medical History, is MANDATORY for all Cadets who are currently taking medication and will report to training with prescription and/or non-prescription (over the counter) medications. Cadets may bring prescription and non-prescription medication to training as long as the medication is not for a contagious illness or physical condition that would normally preclude his/her full participation in rigorous physical activity. Medication must NOT have expired. This form is to be used in conjunction with the current report of Medical History when screening cadets prior to attending "ALL" trainings for those taking medications.

THE INFORMATION YOU PROVIDE MUST BE ACCURATE AND COMPLETE. If the cadet is taking prescription medications, a qualified medical provider must endorse this document in Section 10, confirming the accuracy of the prescription information provided. Medical provider signature for OTC medications is NOT REQUIRED; parent signature is sufficient for OTC medications.

Commanding Officers of Training Contingents (COTC) and Senior Escort Officers (SEO) retain the obligation and right to deny acceptance for training to any Cadet if upon review of the Report of Medical History and this document, it is determined that the Cadet is not physically and/or medically qualified (without ADA accommodation). This includes a determination that they do not have sufficient or qualified personnel to administer required medications. Parents/Legal Guardians should be consulted before making these type determinations.
