REGISTERING FOR TRAINING

To get an APPROVED slot at the training, you **must**:

a. Have your unit's training officer register you on the MAGELLAN system. We will confirm upon initial entry into Magellan if space is available but must receive the following **within 48 hours** or registration will revert to Submitted status:

- 1) Payment of fees made at <https://mkt.com/nscpsw>.

- 3) Submission of Medical Supplemental Form and/or Request for Accommodation if either are needed.

NO ORDERS WILL BE APPROVED UNTIL ALL 3 PARTS ARE COMPLETE!!!

c. If you will be taking any medication, scan/email (or upload to MAGELLAN) a copy of the Page 7/8 Medical Supplemental Form. Your unit's officers will help with this. **We will not approve your space until your meds have been approved as appropriate for this training.**

d. Send us any ADA Request for Accommodation well in advance for review, subject to approval. An approved Request for Accommodation at the home unit **does not automatically apply at the training.** Your unit's officers will help with this. **Your request must be approved before we can approve you in your training.**

PAYMENT: Payment for training fees, as well as airport shuttle fees, can be made at our website, www.nscpsw.org. Click on Summer Training and then follow Step 4 to connect to our online store.

Important! Please include the following information as a note when completing your payment: Cadet's first and last names and the name of the unit they belong to. Parents often have last names that are different from the cadets and we want to properly apply your payment. For this reason, we encourage you to complete payment on a computer, not a phone, so that you don't miss this important step. Please submit one payment at a time with the requested information.

In accordance with NSCC regulations, training deposits are **non-refundable**.

Airline travelers will be transported by shuttle service to and from the Chula Vista Marina for a \$20 fee each way (fee should be included with registration – if you didn't include with registration or want to add, please see shuttle note below for how to pay or contact admin@nscpsw.org with any questions). The shuttle will depart the USO at the San Diego airport at 4:00 pm on the first day, so please plan accordingly in order to minimize your wait time until the shuttle leaves.

PLEASE NOTE: We cannot accommodate cadets traveling "unaccompanied minor," which is a term the airlines use that means that a specifically named adult would have to meet the cadet at their gate. If this was your intention, please contact LCDR Manoogian at srd@nscpsw.org to discuss **PRIOR** to booking any tickets.

Parents are reminded that training dates can change depending on the needs of the Marine Corps and should book airfare as "refundable/changeable." This is also advised in case we have to send your cadet home early.

We recommend that, should you choose not to purchase refundable fares, you purchase travel insurance. We cannot be responsible for fare increases due to unforeseen changes in the training schedule.

SHUTTLE NOTE FOR AIRLINE TRAVELERS: This is a privately scheduled shuttle for our cadets and staff only. You **MUST** reserve a space through us and pay in advance for the shuttle as the driver will **NOT** accept cash the day of arrival. Payment can be made at our website at the same place where you pay for training.

Upon arrival at the San Diego airport, you will proceed to the USO (across from Terminal 2). They will have a list of our arrivals so please check in with them. Our private shuttle is scheduled to depart around 4:00 pm. Depending on the time of your arrival, you could have a long wait so be prepared! **MAKE SURE THAT WE KNOW YOUR TRAVEL PLANS!!!** If you should encounter delays en route, please call 805-236-3559 and let us know.

WHEN YOU ARRIVE: In your possession should be your service record, valid ID and a complete Sea Bag. **No cadet may report aboard without a complete service record** with all signatures properly executed on all relevant portions of the NSCADM001 form (Cadet Application, Medical History, Medical Exam) and NSCTNG001 (Request for Orders). TRAINING OBJECTIVES AND EXPECTATIONS

TRAINING OBJECTIVES: Our objectives and purpose for offering this training evolution are:

- To provide training in a specific subject(s) for those Cadets attending training.
- To provide professional training to NSCC Officers and NSCC Staff Cadets so as to allow them the opportunity to utilize their abilities in a supervised military environment.
- To promote the highest level of training that is consistent with NLCC/NSCC National Goals with an atmosphere of respect, support, and esprit de corps.

SAFETY: Safety is our #1 priority. The success of this evolution depends on the safety of all personnel. This will be accomplished by the following methods:

- Accountability – This is achieved by knowing where our people are at all times and what they are doing. Each individual will act in a responsible manner.
- By always being alert to possible hazards and taking appropriate action to prevent possible harm to any personnel under our care.
- By making safety everyone's responsibility, from the cadet to the Commanding Officer. If any person feels their safety is about to be compromised, that person will bring it to the attention of the chain of command.

CODE OF CONDUCT/HAZING/FRATERNIZATION: Please review the attached CODE OF CONDUCT. This code will be the basis for a quality training experience. Furthermore, there is a **ZERO TOLERANCE** for hazing and/or fraternization. This includes bullying, use of foul language, and any negative behavior that takes away from a safe and positive training environment.

PREPARING FOR TRAINING

CADET PREPARATION: All cadets need to understand that this is a TRAINING evolution. Each individual will be asked to do things that are challenging and different from “the way I’ve always done it.” To prepare for this evolution, each person should:

- Do physical training. Push-ups, sit-ups, and running are a good way to start. Physical training is included in the cadet-training curriculum.
- Pack their sea bag. This will help in knowing what has been brought to training. Each cadet will be 100% responsible for their own belongings.
- Break-in footwear. There will be a lot of walking during this training and boots are more comfortable if they have been broken in.

PHYSICAL READINESS TEST (PRT): Because this is an advanced training, cadets will not be required to take the PRT but it is expected that they will have passed it at their home units within the six months prior to training.

MEDICAL RESTRICTIONS: Trainees with pre-existing medical conditions that will affect a safe training environment cannot be allowed to participate. While we want cadets to complete their training, safety is our first concern.

Medications prescribed or over-the-counter **are** permitted. **If your cadet will need to take ANY medications, a Supplemental Medical History (Page 7/8) which is included in this packet must be completed and approved prior to registering for training.** Please bring medications in the original container and place them in a baggie and include a copy of this form, which **MUST** be signed by a medical professional if any of the medications are prescription. **Discontinued use of required medication is not advised.**

The final determination of participation in training due to a medical condition lies with the Commanding Officer, based on NSCC Regulations.

SEABAG: Review the sea bag list. **ALL CADETS MUST BRING A WATER SYSTEM (canteen w/web belt or Camelback is OK).** All items must be marked with the cadet’s last name and first initial (all underwear and socks look the same after a while). A sea bag inspection will be conducted on the first day of training. If required items are not in sea bag, attempts will be made to obtain the item for the cadet and the parent/guardian/unit will be billed. **IF IT IS NOT ON THE LIST, LEAVE IT AT HOME.** Commercial travelers should bring money and cell phone for their trip to/from Camp Pendleton; they will turn cell phones in at check-in.

You will receive an e-mail from your training Officer-in-Charge with specific instructions for your training. Please note that, unlike recruits, you will also be allowed to keep money and a watch, at your own risk.

[Click here to return to top.](#)

DURING TRAINING

CADET MAIL: There will be no cadet mail during this evolution.

NO CELL PHONES ALLOWED FOR ANY CADETS. Cadets traveling by commercial carrier may bring a cell phone to stay in contact with family until arrival. These cell phones will be secured during training and returned to cadets for their return travel. Failure to turn in cell phones or using cell phones during training will be grounds for dismissal.

QUESTIONS/CONCERNS: Your unit CO is the first person who may be able to answer questions or concerns. They have been sent a copy of this information letter. If you still have questions, please e-mail to question@nscpsw.org.

We look forward to your cadet having a positive training experience. Welcome Aboard!

NOTICE

This form, used as a supplement to the Report of Medical History, is **MANDATORY** for all Cadets who are currently taking medication and will report to training with prescription and/or non-prescription (over the counter) medications. Cadets may bring prescription and non-prescription medication to training as long as the medication is not for a contagious illness or physical condition that would normally preclude his/her full participation in rigorous physical activity. Medication must NOT have expired. This form is to be used in conjunction with the current report of Medical History when screening cadets prior to attending "ALL" trainings for those taking medications.

THE INFORMATION YOU PROVIDE MUST BE ACCURATE AND COMPLETE. If the cadet is taking prescription medications, a qualified medical provider must endorse this document in Section 10, confirming the accuracy of the prescription information provided. Medical provider signature for OTC medications is NOT REQUIRED; parent signature is sufficient for OTC medications.

Commanding Officers of Training Contingents (COTC) and Senior Escort Officers (SEO) retain the obligation and right to deny acceptance for training to any Cadet if upon review of the Report of Medical History and this document, it is determined that the Cadet is not physically and/or medically qualified (without ADA accommodation). This includes a determination that they do not have sufficient or qualified personnel to administer required medications. Parents/Legal Guardians should be consulted before making these type determinations.
