CHART YOUR COURSE

Welcome Aboard for 2019-20 Winter Tall Ship Sailing Training!

This training is for the bravest of the brave, 20 Sea Cadets and League Cadets for adventure at sea aboard a 137-foot schooner. In this training, you will:

- Learn to crew a tall ship and live like the Navy men of 200 years ago did. Long hours, no showers. Much better food, though.
- Stand watch and learn to conn a tall ship by the sun and the stars.
- Climb the rigging to the crosstrees (weather and sea state permitting).
- Watch the dolphins come and pace the ship (usually), as a pod of whales check you out (sometimes).
- Come back home with sea stories your shipmates will envy, all of which are true!

REPORTING AND TRAVEL

REPORTING UNIFORM is **WORKING UNIFORM** (civilian clothes if traveling by plane, train, or bus).

REPORTING TIMES:

- **CADETS ARRIVING BY PERSONAL VEHICLE:**

Cadets arriving by personal vehicle should report to the South Bayfront Sailing Assn., 604 Marina Pkwy, Chula Vista, CA, at 3:00 PM on Sunday, December 29, 2019.

Please allow about an hour for the check-in process. PARENTS MUST REMAIN ONSITE UNTIL THEIR CADET HAS CLEARED ADMIN!!!!

- **CADETS ARRIVING BY COMMERCIAL CARRIER:**

All cadets flying to training should plan to arrive at **SAN DIEGO INTERNATIONAL AIRPORT** on Sunday, December 29th, no later than 3:00 PM and depart on Saturday, January 4th, no earlier than 1:00 PM.

If you have difficulty making these times, please contact us and we will work with you.

GUIDELINES FOR COMMERCIAL TRAVELERS:

ALL PERSONNEL TRAVELING BY COMMERCIAL CARRIER ARE TO REPORT IN CIVILIAN CLOTHES.

YOU MUST PROVIDE A COPY OF YOUR FLIGHT/TRAIN/BUS ITINERARY to admin@nscpsw.org no later than 12 DEC19 but it is not necessary to provide this information when you register.

Airline travelers will be transported by shuttle service to and from the Chula Vista Marina for a \$20 charge each way. We will have someone to meet arrivals at the airport baggage claim area and this person will make sure that cadets get on the shuttle. The shuttle will depart Baggage Claim at the San Diego airport at 4:00 pm on Dec. 29th, so please plan accordingly in order to minimize your wait time until the shuttle leaves.

Depending on the time of your arrival, you could have a long wait so be prepared! **MAKE SURE THAT WE KNOW YOUR TRAVEL PLANS!!!** If you should encounter delays en route, please call 818-822-6818 and let us know.

PLEASE NOTE: We cannot accommodate cadets traveling "unaccompanied minor," which is a term the airlines use that means that a specifically named adult would have to meet the cadet at their gate. If this was your intention, please contact LCDR Manoogian at ymanoogian@seacadets.org to discuss **PRIOR** to booking any tickets.

Parents are reminded that we sometimes have to send cadets home and should book airfare as "refundable/changeable." We recommend that, should you choose not to purchase refundable fares, you purchase travel insurance. We cannot be responsible for fare increases due to unforeseen changes in the training schedule.

SHUTTLE NOTE FOR AIRLINE TRAVELERS: This is a privately scheduled shuttle for our cadets and staff only. You **MUST** reserve a space through us in advance.

WHEN YOU ARRIVE: In your possession should be your service record, valid ID and a complete Sea Bag. **No cadet may report aboard without a complete service record** with all signatures properly executed on all relevant portions of the NSCADM001 form (Cadet Application, Medical History, Medical Exam) and NSCTNG001 (Request for Orders). INDIVIDUALS SHOULD CARRY THEIR OWN SERVICE RECORD.

DEPARTURE: All cadets who are not traveling commercially will be picked up at 10:00 AM on Saturday, January 4th, at the Chula Vista Marina. There will be a short ceremony prior to release.

TRAINING OBJECTIVES AND EXPECTATIONS

TRAINING OBJECTIVES: Our objectives and purpose for offering this training evolution are:

- To provide training in a specific subject(s) for those Cadets attending training.
- To provide professional training to NSCC Officers and NSCC Staff Cadets so as to allow them the opportunity to utilize their abilities in a supervised military environment.
- To promote the highest level of training that is consistent with NLCC/NSCC National Goals with an atmosphere of respect, support, and esprit de corps.

SAFETY: Safety is our #1 priority. The success of this evolution depends on the safety of all personnel. This will be accomplished by the following methods:

- Accountability – This is achieved by knowing where our people are at all times and what they are doing. Each individual will act in a responsible manner.
- By always being alert to possible hazards and taking appropriate action to prevent possible harm to any personnel under our care.
- By making safety everyone’s responsibility, from the cadet to the Commanding Officer. If any person feels their safety is about to be compromised, that person will bring it to the attention of the chain of command.

CODE OF CONDUCT/HAZING/FRATERNIZATION: Please review the attached CODE OF CONDUCT. This code will be the basis for a quality training experience. Furthermore, there is a **ZERO TOLERANCE** for hazing and/or fraternization. This includes bullying, use of foul language, and any negative behavior that takes away from a safe and positive training environment.

[Click here to return to top.](#)

PREPARING FOR TRAINING

CADET PREPARATION: All cadets need to understand that this is a TRAINING evolution. Each individual will be asked to do things that are challenging and different from “the way I’ve always done it.” To prepare for this evolution, each person should:

- Do physical training. Push-ups, sit-ups, and running are a good way to start. Physical training is included in the cadet-training curriculum.
- Pack their sea bag. This will help in knowing what has been brought to training. Each cadet will be 100% responsible for their own belongings.
- Break-in footwear. There will be a lot of walking during this training and boots are more comfortable if they have been broken in.

PHYSICAL READINESS TEST (PRT): Because this is an advanced training, cadets will not be required to take the PRT but it is expected that they will have passed it at their home units within the six months prior to training.

MEDICAL RESTRICTIONS: Trainees with pre-existing medical conditions that will affect a safe training environment cannot be allowed to participate. While we want cadets to complete their training, safety is our first concern.

Medications prescribed or over-the-counter **are** permitted. **If your cadet will need to take ANY medications, a Supplemental Medical History (Page 7/8) which is included in this packet must be completed and approved prior to registering for training.** Please bring medications in the original container and place them in a baggie and include a copy of this form, which **MUST** be signed by a medical professional if any of the medications are prescription. **Discontinued use of required medication is not advised.**

The final determination of participation in training due to a medical condition lies with the Commanding Officer, based on NSCC Regulations.

SEABAG: Review the sea bag list. **ALL CADETS MUST BRING A WATER SYSTEM (canteen w/web belt or Camelback is OK).** All items must be marked with the cadet's last name and first initial (all underwear and socks look the same after a while). A sea bag inspection will be conducted on the first day of training. If required items are not in sea bag, attempts will be made to obtain the item for the cadet and the parent/guardian/unit will be billed. **IF IT IS NOT ON THE LIST, LEAVE IT AT HOME.** Commercial travelers should bring money and cell phone for their trip; they will turn cell phones in at check-in.

You will receive an e-mail from your training Officer-in-Charge with specific instructions for your training. Please note that, unlike recruits, you will also be allowed to keep money and a watch, at your own risk.

[Click here to return to top.](#)

DURING TRAINING

CADET MAIL: There will be no cadet mail during this evolution.

NO CELL PHONES ALLOWED FOR ANY CADETS. Cadets traveling by commercial carrier may bring a cell phone to stay in contact with family until arrival. These cell phones will be secured during training and returned to cadets for their return travel. Failure to turn in cell phones or using cell phones during training will be grounds for dismissal.

QUESTIONS/CONCERNS: Your unit CO is the first person who may be able to answer questions or concerns. They have been sent a copy of this information letter. If you still have questions, please e-mail to question@nscpsw.org.

We look forward to your cadet having a positive training experience. Welcome Aboard!

NOTICE

This form, used as a supplement to the Report of Medical History, is **MANDATORY** for all Cadets who are currently taking medication and will report to training with prescription and/or non-prescription (over the counter) medications. Cadets may bring prescription and non-prescription medication to training as long as the medication is not for a contagious illness or physical condition that would normally preclude his/her full participation in rigorous physical activity. Medication must NOT have expired. This form is to be used in conjunction with the current report of Medical History when screening cadets prior to attending "ALL" trainings for those taking medications.

THE INFORMATION YOU PROVIDE MUST BE ACCURATE AND COMPLETE. If the cadet is taking prescription medications, a qualified medical provider must endorse this document in Section 10, confirming the accuracy of the prescription information provided. Medical provider signature for OTC medications is NOT REQUIRED; parent signature is sufficient for OTC medications.

Commanding Officers of Training Contingents (COTC) and Senior Escort Officers (SEO) retain the obligation and right to deny acceptance for training to any Cadet if upon review of the Report of Medical History and this document, it is determined that the Cadet is not physically and/or medically qualified (without ADA accommodation). This includes a determination that they do not have sufficient or qualified personnel to administer required medications. Parents/Legal Guardians should be consulted before making these type determinations.
